

AL MURABBAA ARTS AND DESIGN FESTIVAL

28 OCTOBER TO 6 NOVEMBER 2021

AJMAN HERITAGE DISTRICT U.A.E.

Inspired by yesterday to imagine tomorrow

We exist to promote a dialogue between generations that enriches peoples' lives through Arts & Culture, curating a space where everyone feels welcome.

We create a sense of belonging

True to the Ajman brand, we believe in making everyone feel like they belong with us. We break down the walls of knowledge to make it accessible to and enjoyable for all.

We make art accessible

We believe that knowledge can change peoples' lives, but to do so we need to make sure we turn the most complex of ideas into simple stories.

We cultivate confidence

We give our guests the feeling that they will always leave our experience feeling better about themselves and empowered to keep on asking why.
