Planters

MALL planter 3 vie

5 THE[®]
ITALIAN
LAB

Dimensions: L 1000, W 865, H 800 mm

The legs of the planter mod. 3 VIE MALL are made of steel sheet 10 mm thick, while the containment tank is made of 30/10 thick sheet steel. The parts are joined together by means of 4 countersunk M8 screws.

All the steel parts are galvanized and painted with PP polymers.
