RIO TOTEM with noticeboard

THE[®]
ITALIAN
LAB

Dimensions:

L 3100, W 100, H 1000 mm

Dimensions with totem:

L 3100, W 400, H 1320 mm

The RIO TOTEM bike rack is made of a square tube steel bar, 100x100 mm, thickness 20 mm, cold galvanized and polyester powder coated. Five steel plates, thickness 60/10 mm, are welded to the bar for the fixing of the anti-theft lock.

An information totem in polycarbonate 8 mm thick + 8 mm with polished edge is attached to the bike rack.

Ground fixing with 4 bolts (not supplied) on suitable plates.
