SOFA CLAPS seat

Dimensions: L 1800, W 470, H 440 mm

Weight: 62 Kg

The SOFA CLAPS SEAT seat is made of 60/10 thick sheet steel, decorated by laser cutting with "claps" texture.

At the base of the seat, there are two folds, and on their flaps, there are no. 4 holes D. 10 mm, to fix the bench to the ground by special anchors, not supplied.

The bench is cold galvanized and subsequently polyester powder coated.
