## WOODY TWINS bench

**THE**<sup>®</sup>  
**ITALIAN**  
**LAB**

### Dimensions:

L 1800, W 1200, H seat 450, tot. H 740 mm

The WOODY TWINS bench is made of 3 10-mm thick solid steel supports (or AISI Type 304 Stainless Steel), laser shaped to place exotic wooden slats 40x40x1800 mm, treated with natural waterproof oils, which form a double seat with backrest.

At the base of the supports, there are holes for ground fixing with suitable bolts (not supplied). All the steel parts are then cold galvanized and polyester powder coated.
