RIO with litter bin

### Dimensions:

L 3000, W 100, H 1000 mm

### Dimensions with litter bin:

L 3000, W 400, H 1000 mm

The RIO bike rack is made of a square tube steel bar, 100x100 mm, thickness 20 mm, cold galvanized and polyester powder coated.

Five steel plates, thickness 60/10 mm, are welded to the bar for the fixing of the antitheft lock. The litter bin mod. RETRO is attached to the bike rack.

Ground fixing with 4 bolts (not supplied) on suitable plates.
